## EDUCATIONAL MATERIALS SAMPLING

Publishers provide EXAMINATION COPIES so that teachers, supervisors, and members of committees can make their selections of textbooks after careful study.

The members of Indiana Educational Publishers Association respectfully call the attention of educators to the problem of waste in sampling of materials. Because sampling adds significantly to the cost of doing business and consequently to the price of materials purchased by schools, any savings will aid in the maintenance of price levels. It is up to each individual company on what and when they sample to school districts.

**YOUR COOPERATION WILL BE MUTUALLY BENEFICIAL.**
